Subject: Comments on Evaluation of Performance in  
the Sport of Archery by Kunaal Wadekar.

Resp. Sir/Mam,

Your School Student Kunaal Wadekar had joined Archery class in Sept 2015 in Beginners Batch. He completed successfully 64 hrs of Basic Course. He has shown sincere efforts towards Archery and has moved on to Intermediate Batch. He has completed 192 hours of Intermediate class so far and is still continuing with the Intermediate batch. He has also really improved a lot over his Strength and Focus. And is currently preparing for State Tournament for Indian Round. And is planning to train further on Compound Bow.

Kunaal Wadekar is enthusiastic about the sport of Archery. He independently recognizes the errors in previous performance and proactively modifies their behaviour and approach to new work. Interactions with others demonstrate exceptional active listening skills and the ability to proactively seek the opinions, ideas, and expertise of others. Consistently cooperative seeking improved working relationships.

If you require Kunaal Wadekar's Training schedule and/or evaluation report, we can provide if requested.

Regards,

Swapnil Parab  
Archery Head Coach
